

Daily Spiritual-Fitness Meditations of the Mind, Body and Spirit

You can work these daily meditations into your day at any time.

My recommendation is that you *begin* your day by reading the corresponding verse and then meditating for a few minutes on the questions provided.

This sets the tone for your day and gives you Spiritual “Fuel” to carry out whatever tasks might be in store for you over the course of your day!

This introduction provides you with an overview of the following twelve weeks of daily meditations for the *3n1Fitness Spiritual-Fitness Journal*. Biblical resources in these journal pages are taken from the “Women’s Study Bible NKJ Version”

In Week One, God provides reassurance that

You are not an accident!

God makes no mistakes and you are *no exception*.

He is a God of ORDER and *Everything* He creates is intentional.

As you continue your twelve-week journey

You are also reminded of:

- The *endless blessings* He has available to you
 - What He has to say about *bodily exercise*
 - Your *outward appearance vs. your inner self*
- What a *hopeful future* you are promised if you just believe and accept Him... [\(Week Six\)!](#)

It is my belief that the ideas in this journal tend to be the core of all Health and Fitness Programs. I trust you will find these resources useful in conjunction with your current Fitness program.

This is about clearing the “clutter” in your life.

**Anything that serves as a distraction from your life’s focus
needs to be eliminated!**

Being overweight may be a distraction because:

- Every time you go out of your house you feel ***self-conscious*** about the way you look in your clothes
- Maybe you would like to volunteer for charity work, but you just ***can't bring yourself to be that "visible"***
 - Maybe you are a normal weight for your height, but your ***nutritional program is lacking***
 - You are distracted from your daily ministry of serving your children and your husband because ***you have no energy*** and you feel tired all of the time
 - Maybe you just need to ***work on self-discipline***
- Maybe you just had a baby and you ***have extra weight to lose***

Whatever the reason just make an effort to live each day with a grateful heart and always remember to *Make TODAY Count!*

*****Feed Your Spirit*****

The only difference between **Worrying** and **Meditating** is the subject matter you have chosen to focus on!

Before you Begin read each of the daily verses with the following questions in mind:

1) How does this verse speak to me?

2) How can I apply this to my own journey?

3) What is my prayer for today?

In addition to these general questions for daily meditation,
I have also included more specific [Application Questions](#) at the end of each week.

You can print these pages and use them as study questions
over the course of your fitness journey.
